

**CODE OF CONDUCT: SQUAD ADMINISTRATORS**

Squad Administrators are volunteer parents who aim to help and support the coach in the day to day running of the squad.

One important need is to establish a successful coach/administrator partnership for the benefit of the squad.

The following details are the key requirements to be met by Tigersharks Administrators in that partnership.

- Administrators will gather a great deal of personal information about swimmers in the course of their role. Administrators must understand what is confidential and not divulge such information to a third party without prior agreement.
- Undertake training in child protection issues and have CRB clearance.
